15th January, 1946

Dear Miss Hollaender,

With reference to your enquiry for your relatives in Hilchenbach we very much regret to have to give you some very distressing news. We made enquiries through the British Red Cross Society and have now learned that your parents Mr. Josef Hollaender and Mrs. Julie Hollaender, nee Sommer, and your brother Mr. Artur Hollaender were deported from Siegen to an unknown destination in February 1943. No Gestapo records are available in Siegen.

We are extremely sorry to have to forward such sad news and assure you of our deepest sympathy.

Sincerely yours,

P. p. A. G. G. G.
Secretary.

Miss Selma Hollaender

Reference for work.

Selma Hollander was in my employ for nearly a year as a general mother's help, and I found her a very nice type of girl. She is very honest and clean and hardworking and very good at needlework and darning. She is very fond of children and I trained her in the modern methods of baby work, and she practically brought up my baby from three months to over a year. My other boy was three at the time, and they were both very fond of her.

She is good at housework and was learning quite a lot of English cooking and was very good at it. I found her very loyal to the British government, and very

2

grateful to be over here, as she
and her family had been oppressed
by the Hitler government.

To whom it may concern.

I had Selma Hollander in my employ for nearly a year as a general mother's help, and I found her most helpful. She is a very nice type of girl and most loyal & grateful to the British Government. She, and her family, being Jewish, had a very bad time under Hitler, and she was always very bitter about him, and not being allowed to work in Germany, was only too glad to come over to England to take domestic work. When she came to me she could not speak one word of English, but we managed with the help of a dictionary. I could thoroughly recommend her as a mother's help as she is very fond of children, and very good at

2

needlework and darning. I am quite sure she has no cause whatever to favour Hitler's Germany, as they have suffered too much under that regime.

Both my children missed her very much when she was interned, and as mine was the only job she had in England, I shall be only too pleased to do anything I can to help her case.

IMPORTANT INFORMATION

THIS PASSPORT IS THE PROPERTY OF THE UNITED STATES GOVERNMENT. IT MUST BE SURRENDERED UPON DEMAND MADE BY AN AUTHORIZED REPRESENTATIVE OF THE DEPARTMENT OF STATE. THE PASSPORT IS NOT VALID UNLESS SIGNED BY THE BEARER ON PAGE TWO.

LOSS, THEFT OR DESTRUCTION OF PASSPORT must be reported immediately to local police authorities and to the Passport Office, Washington, D.C. 20524, or, if overseas, to the nearest American consular office.

ALTERATION OR MUTILATION OF PASSPORT. This passport must not be altered or mutilated in any way. Alteration may make it **INVALID** and, if willful, may subject you to prosecution (Title 18, U.S. Code, Section 1543). Only authorized officials of the United States or of foreign countries, in connection with official matters, may place stamps or make statements, notations or additions in this passport. You must not alter any dates or make any changes in your description, on the photograph, or on any other page of this passport. You are permitted, however, to amend or update personal information for your own convenience on the inside front cover.

EXPIRATION. This passport is valid for five years unless expressly limited to a shorter period. The expiration date is given on page two.

LOSS OF NATIONALITY. You may lose your United States nationality by being naturalized in, or by taking an oath or making a declaration of allegiance to, a foreign state; or by serving in the armed forces or accepting employment under the government of a foreign state. For detailed information, consult the nearest American consular office.

DUAL NATIONALS. A person is considered a dual national when he owes allegiance to more than one country at the same time. A claim to allegiance may be based on facts of birth, marriage, parentage or naturalization. A dual national may, while in the jurisdiction of the other country which considers him its national, be subject to all of its laws, including being conscripted for military service. Dual nationals who encounter problems should contact the nearest American consular office.

WHEN TRAVELING IN DISTURBED AREAS you should keep in touch with the nearest American consular office.

DURING PROLONGED RESIDENCE ABROAD you should register at the nearest American consular office.

GENERAL INFORMATION

IMMUNIZATIONS. Under the International Health Regulations adopted by the World Health Organization, an International Certificate of Vaccination against smallpox may be required as a condition of entry to any country. An International Certificate of Vaccination against yellow fever or cholera may be required by some countries. For return to the United States, only a smallpox certificate will be required if, within the past 14 days, a traveler has visited a country reporting smallpox. Specific information on required and recommended immunizations and prophylaxis for travel to all areas of the world may be obtained from your local or State health department.

HEALTH INSURANCE. Persons considering foreign travel should determine what health insurance coverage, if any, they have while outside the United States. Social Security Medicare does not cover health care costs outside the United States except under limited circumstances in Canada and Mexico.

CUSTOMS SERVICE. The pamphlet, "Know Before You Go," gives you current pertinent information about Customs requirements, and how they apply to articles acquired abroad. Obtain a copy from your nearest Customs office or from the U.S. Customs Service, P.O. Box 7118, Washington, D.C. 20044.

TREASURY. Treasury regulations prohibit the unlicensed purchase or importation of merchandise of Cuban, North Korean, Vietnamese, Cambodian or Southern Rhodesian origin. For information, write to the Office of Foreign Assets Control, Treasury Department, Washington, D.C. 20220.

AGRICULTURE. Your reentry into the United States will be speeded if you bring with you **NO** foreign meat, other animal products, birds, animals, fruits, vegetables, plants, soil, or other agricultural items. It is unlawful to import foreign agricultural items without permission since they may carry destructive plant or animal pests and diseases. For specific information, write "Quarantines," PPQ, APHIS, U.S. Department of Agriculture, Hyattsville, Maryland 20782.

UNITED STATES OF AMERICA

DECLARATION OF INTENTION

(Invited for all persons who have declared their intention to become citizens of the United States)

Not less than 2 nor more than 7 years after the date the original of this declaration was made, and after you have lived in the United States for at least 5 years and in the State for at least 6 months, you may file a petition for naturalization (or second papers). You will not be notified by the Government or the clerk of court to file such petition. It will be necessary for you to make application, in person or by letter, to the nearest clerk of court exercising naturalization jurisdiction, or to a representative of the Immigration and Naturalization Service, for an application Form N-400. You should not wait to do this until near the close of the 7-year period, because if you do not file your petition with the court before the end of this 7-year period it will be necessary for you to file a new declaration of intention and wait at least another 2 years thereafter before you can file your petition for naturalization. However, a petitioner for naturalization who is married to a citizen of the United States is not required to make a declaration of intention as a basis for filing a petition for naturalization.

Applicants for naturalization, before being granted citizenship, must satisfy the judge of the naturalization court that they believe in the principles of the Constitution of the United States. The Immigration and Naturalization Service has prepared a citizenship textbook about the Constitution and Government of the United States which may be used by persons who have declared their intention to become citizens and who attend citizenship classes in the public schools. This book and the classes will help applicants to prepare themselves for the duties and responsibilities of American citizenship.

If it be lost, notice should be given to the Bank immediately. Depositors are advised to note carefully, for reference, the number of their Account.

8. HOME SAFES are issued to Depositors free of charge. The Safes should be cleared frequently and the contents deposited in the bank account.

Business may be done by post.

All communications should bear the Depositor's account number.

13. GOVERNMENT ANNUITIES from £1 to £300 may be purchased through this Bank.

14. Every Receipt, Order or Draft required by this Bank is exempted from Stamp Duty.
