Dear Lithuanian State Historical Archives,

The Lithuanian Consul, Jonas Skardinskas, here in Ottawa, Canada gave me your web address and suggested that I contact you directly.

I was recently able to obtain the death certificate (attached) of my father's mother from the archives in Leipzig, Germany. In addition they sent me the information (attached) on the marriage of my father's parents.

According to the death certificate my grandmother Riewe (Regina) Reinherz was born in Kalwarja on 26 May, 1874.

According to information concerning Issak Fischleiber and Riewe (Regina) Reinherz were married in Warsaw on 01 October, 1895.

My Father was born Sigmund Fischleiber in Leipzig (1899). He changed his name to "Fischler" when he immigrated to the United States. My family in turn changed our name to "Herz-Fischler".

I saw the price list, but I am not sure how to proceed. I do not need the rapid research. Please inform me how much money, and to whom, I should send.

Many thanks in advance for your help.

Yours truly,

Roger Herz-Fischler
