

THE DESCENDENTS AND ANCESTORS OF
ABRAHAM KATZENSTEIN AND ^{malchen} (AMELIA) MARX

From 1900
5 Stern 1976

Compiled by Roger Fischler (VII), Aug. 1974

Thu Where from?
Richard II

The Roman Numeral indicates the generation. The second numeral is the number assigned to persons in that generation. This system facilitates referencing and the later addition of omissions. Numbers refer either to the location of a particular person or to the number of their parents according to the situation. Within a generation the order is not in general by date of birth. Superscripts refer to notes at the end.

- III₁ Menachem¹ born Ca. 1720.
- II₁ Abraham ben Menachem born Ca. 1750.
- I₄ Manus Katzenstein born 1785 in Erdmannrode. Married Roeschen Manheimer. Children: Abraham (II), Heineman, Wolf, Meier, Salomon, Johanna (married Blum).

(The above information was obtained from a sheet compiled by Richard Katzenstein III6.)

born in Ungedanken bei Fritzlar (1797?)
suggested
